Dear Judy,

Per our conversations over the last few days, we wish to offer the following resolve to incorporating the ECP's into this order. Seiler Instr. can incorporate these at a "no cost" option if the Government will agree to authorize the following new delivery:

10 units on or before February 17, 2001  
10 units on or before March 17, 2001

**Thank You for taking the time to work with us on this matter.**

Sincerely,

Sincerely,  
  
Andrew G. Leahy
